

Introduction to Supervision in Early Learning & Care & School Age Childcare

Overview

This workshop is suitable for those working in Early Childhood Care and Education and/or School Age Childcare who are currently supervising early years educators/students.

The aim of this workshop is to give guidance on the development and implementation of a supervision structure in an Early Learning and Care and School Age Childcare setting.

Supervision is an important feature in addressing the needs of children, families, staff, management and funders. This training will be helpful for early learning and care providers, putting in place processes to meet regulatory requirements on staff supervision
