

3rd-6th class

VIDEO LESSON WORKSHEET

IS FOR STAY SAFE

Name: _____

ACTIVITY 1

QUESTION 1

What do you use the internet for?

Reason to go online	Tick box	Reason to go online	Tick box
For fun	<input type="checkbox"/>	To learn new things	<input type="checkbox"/>
To create new things	<input type="checkbox"/>	To talk to my friends	<input type="checkbox"/>

QUESTION 2

Thinking about what you like to do online, fill in these boxes with the games and apps you like to use. You can write or draw the logo/icon. For example...

1. For fun	2. To create new things Minecraft
3. To learn new things Wikipedia	4. To talk to my friends

ACTIVITY 2

What do you need to be careful about online?

Match up the pictures with the correct answers and add some extra risks online, if you can think of any.

<p>1</p> 	<p>A. You need to be careful about your personal information and not share it with others online. Your passwords need to be very strong.</p>
<p>2</p> 	<p>B. Whatever is written online stays there forever, so it is like a permanent marker. You need to be careful when you post a comment or a picture or a video online as once it is gone, it isn't yours anymore and it is very hard to take back.</p>
<p>3</p> 	<p>C. Scammers/hackers or people who are not who they say they are.</p>
<p>Other risks?</p>	

Answer key:

1 =	
2 =	
3 =

Make a strong password:

I went to Paris for holidays

Make a strong password:

TOP TIPS FOR STAYING SAFE ONLINE

1. Don't overshare your personal information online.
2. Be private on social media and games.
3. If any online friend starts asking personal questions, or asking to speak to you on a different platform, block and report and tell your parents.
4. Treat your passwords like your toothbrush don't even share with your best friend.
5. Make strong passwords that you remember use a sentence and use numbers, icons and special characters.
